

## Resources: Equipment & Capabilities

**Building:** 50,000 square feet, Main Manufacturing Area  
80,000 square feet, Warehousing

**Injection Molding Equipment:** LMR Plastics offers modern machines ranging from 55 to 1760 Ton. Equipment makes include: Toshiba, Milacron, Negri Bossi, TMC, Shinwa Sieki.

Tonnage	Number	Shot Sizes
1750/1760	2	348 / 362
880	1	140
720	2	125 / 126
500/580	6	63 / 76 / 92 / 43
350	1	57
310	4	19 / 41
250	5	27.65 / 32.31
190/210	3	6.5 / 15.35 / 19
150/165	5	10.3 / 10.59 / 11.46
110	5	4.87
85	1	7.05
55	2	.37 / 1.68

**Value Add Services / Equipment:** LMR Plastics offers a variety of secondary operations to enhance the process value to the customer:

Automation/Robotics	Silo/Bulk Material Storage
Hot Plate Welding	Ultrasonic Welding
Spin Welding	Heat Staking
Pad Printing	Hot Stamping
End User Packaging	Assembly
